**ORDER:**

The Ministry of Statistics & Programme Implementation (MoSPI), Government of India has launched the India Statistical Strengthening Project (ISSP) with the assistance of the World Bank. The project is a centrally sponsored Scheme, where the Government of India shall provide grants to State Governments for carrying out the necessary reforms to strengthen state statistical system, which would include not only the Directorate of Economics and Statistics but also the line departments which are involved in collection of statistical data. The requirement for providing consistent and comparable statistics, the project has been conceived in such a manner in which the States are being given full freedom to design and implement their own strategic plans for strengthening the state statistical system.

2. State Government agreed to participate in the India Statistical Strengthening Project (ISSP) and communicated its willingness to the MOSPI, GoI. It has also subscribed for national vision and strategic policy framework as set out in the National Strategic Statistical Plan (NSSP) of Government of India, to formulate a State Strategic Statistical Plan (SSSP) and implement the same under the India Statistical Strengthening project and accordingly, in the reference 1<sup>st</sup> read above, orders were issued constituting a State High Level Steering Committee for the project under the Chairmanship of the Chief Secretary to Government.

3. The Director of Economics and Statistics, Government of Telangana, Hyderabad has stated that, India Statistical Strengthening Project (ISSP), was now renamed as Support for Statistical Strengthening (SSS) and furnished necessary proposals to constitute a State High Level Steering Committee for the newly formed State of Telangana to oversee the preparations and implementation of the State Strategic Statistical Plan (SSSP) and to issue necessary directions to all the participating departments/agencies of the State Government concerned.

(PTO)
